

SUNRISEVILLE SCHOOL, NOIDA
SUMMERS HOLIDAY HOMEWORK (2018 – 2019)

Class II

Dear parents,

Greeting to one and all. The long awaited summer vacations are finally here. Children have to enjoy themselves during their vacation forget every thing else. We believe that students should keep in constant touch with their studies. In our opinion the homework given should be creative and innovative rather than boring. Keeping this in mind we have designed the following homework pattern.

Please keep in mind the following important points

1. **All the Home Work should be done in A4 Sheet**
2. **Home work should be neat and clean**
3. **Keep your work in a folder**

English

Please extract any two of the following poems from Google and help your child to learn the same

I made a new password	Kenn Nesbitt
Don't bring camel in the school	Kenn Nesbitt
Food fight	Kenn Nesbitt
My teacher took my I pad	Kenn Nesbitt
I can't get enough of this Poke mongo	Kenn Nesbitt
Welcome back to school	Kenn Nesbitt
Chemistry class	Gareth Lancaster
I am late for school	Gareth Lancaster
Brain boss	Julia Donaldson

Read the following stories. Draw and colour your favorite character from the stories on A4 size sheet

- Cinderalla •Sleeping beauty •Show white and seven dwarfs •Thumbelina

Read the newspaper cutout any one headline and note down minimized and maximum temperature of that respective day. Also sort out the vowels and consonant from those headlines and underline vowels with red colour and consonant with green colour. Perform this activity for a minimum period of ten days. For example

Date - 8.5.2018	Day - Tuesday
Rahul guides kings past royals – find out vowels and consonants.	
Minimum temperature	28.6 degree C
Maximum temperature	45.1 degree C

Make flash cards of lesson 3, 4, 5 according to the roll number

- Roll Number 1 to 10 Lesson 3 •Roll Number 11 to 20 Lesson 4
•Roll Number 21 to 33 Lesson 5

Hindi

नीचे दी गई कविताओं में से कोई भी दो कविता गुगल से खोज कर याद करें

•Soap

•Shampoo

•Car

•Shoes

•Tea

•Spices

•Noodles

•Chocolate

•Cold drinks

Make a chart on the given topics according to the roll numbers

•Roll numbers 1 to 10 – Different types of houses

•Roll numbers 11 to 22 – Festivals

•Roll numbers 23 to 33 – Seasons

COMPUTER

Topic: What is your mouse CURSOR telling you?

- While working on the different applications, we see the mouse cursor changing many times. Each shape has a different meaning and function.
 - On a chart paper neatly draw/paste different types of mouse cursors and label their functions.
 - Best pictorial demonstration will be displayed in the computer lab.
-

ART

Make one paper mask or crown. 2 water animals with the help of paper plate paper roll or paper glass.

Note:- Reading and writing should be done on daily basis.
