## **EVS**

1. Every country has a national flower and a national tree. Make a list of the countries that share their borders with India. Find out the name of their national flowers and national trees. Now create a chart displaying country wise the pictures of these flowers and trees with their names.
2. Plant a family garden : Buy seeds of any vegetable and flowers of your choice ( at least 2 each) . Soak them in water for 5 to 6 hours . Dig the earth and sow it. Keep it under less sun. Water them everyday. Record each day's observation and note it down very sincerely. Express ( in your own words) your feeling as the plant grows [activity with photograph ( 1 or 2 ) of the plant growing will be appreciated]

## **MATHS**

1. Learn the tables from 2 to 15. Write 2 times.
2. Practice mathematical operations: addition , subtraction every day.  
Also practice multiplication and division as done in class 2.

## **COMPUTER**

### ***Topic: Evolution of windows till date***

- Whenever the computer boots, firstly operating system i.e. Windows loads into the computer's memory and a windows logo appears on the screen. The earliest windows logo was introduced in Nov 1985. From that time, the logo has undergone many changes, all of which were based on a four colored wavy flag.
  - On a chart paper neatly draw/paste all the windows logo since 1985 to till date depicting how the logo has changed over the period.
  - Best pictorial demonstration will be displayed in the computer lab.
- 

## **ART**

Make two different wild animals with rolls or cones or eggtrays.
